Community
Council LTD.

At ARC our mission is to provide psychological, emotional, practical and educational support to people with cancer and those who care for them, through a warm, welcoming and client centred approach and to ensure that everyone in Ireland is aware of and able to access these services. Our

three Centres are open for drop in and for Counselling, Acupuncture, Reflexology and Manual Lymph Drainage appointments. Remote services include a telephone support service and remote counselling.

We are currently in the process of recruiting volunteers for our Cancer Support Centres to work with us in either of our office in South Circular Road or Eccles Street or in a remote capacity.

Your Time Matters To Us

Volunteers are the backbone of ARC Cancer Support Centres. As an ARC volunteer, you will make an important difference in the lives of those affected by cancer. We simply could not provide the level of services that we do without our wonderful, committed volunteers.

Why Do We Use Volunteers?

Without our volunteers, we could only offer a fraction of the services that we're able to. Funds raised go towards employing the core team of therapists and staff as well as to meet the costs associated with running ARC's centres. In addition, administrative, supervision and training supports are provided to our volunteer network to support them in delivering professional, high-quality services to clients.

Get Involved

If you are interested in becoming a volunteer, please contact our Volunteering Team at:

Email: info@arcancersupport.ie or Tel: 01 215 0250.

CHURCHGATE COLLECTION NEXT WEEKEND

Margaret O'Brien will hold a Church Gate Collection at all masses next weekend (08/10 Sept 2023) to raise funds for the Ambo Deaf Kindergarten School in Ethiopia.

Margaret is raising funds to support the school with the provisions of food, medicine and educational costs to ensure none of the poorest of the children in the village will drop out of education due to the cost-of-living crisis which is very severe for many of the families.
