CHURCHGATE COLLECTION THIS WEEKEND

Margaret O'Brien will hold a Church Gate Collection at all masses this weekend to raise funds for the **Ambo Deaf Kindergarten School in Ethiopia.**

For the past 10 years Margaret has been working at raising funds to build and support a St. Justin's Kindergarten School (Pre-school) in Ambo Town, Ethiopia. This year's project is raising funds to support the school with the provisions of food, medicine and educational costs to ensure none of the poorest of the children in the village will drop out of education due to the cost-of-living crisis which is very severe for many of the families.

Every year Margaret tries to raise enough money to support 32 children from the poorest families in the village to attend St Justin's KG school. It is now the No 1 school in the district and provides a great opportunity for these children to get a very good start in education. Without this support, they could never dream of getting such an opportunity.

The funds raised will ensure that no child in the school (especially those from very poor families) goes hungry or cannot get basic medical treatment. The cost of a visit to the local clinic for a simple infection is the equivalent of one week's salary for families and children often go untreated and suffer a great deal of unnecessary pain.

"Anything you can give to support my work will be greatly appreciated and I can assure you that it will go straight to the project and help these children. I visit the school every year to ensure the funds are being used well and I am always delighted at the commitment of the teachers and the happiness of the children."

Thank you, Margaret Anne"
