Thank You

As 2024 is beginning, we take this opportunity to say a special thank you to all the very generous people providing voluntary services in our parish and community. They are usually unseen and their work unnoticed. It is only when something is not done that their absence is noticed!

Attempting to name all the groups involved in providing these voluntary services would be impossible, as someone would be undeservingly left out. You give generously of your time and talents, week after week, building and maintaining services for our parish community. We would like to extend a heartfelt thanks to one and all and wish you a very happy New Year.

I would like to also express my gratitude to our parishioners who supported us throughout the year. Your support to our parish is never underestimated and is greatly appreciated.

I would like to take this opportunity to wish you a very Happy and Peaceful New Year and every best wish for 2024. May the Lord Jesus Christ grant us all peace and renew our strength for the year ahead. May he grant us all the gift of Faith that the year ahead will bring us good health, the blessings of Hope for 2024 and the peace of his Love which will give us the strength to heal.

Wishing every blessing on your family,

Canon Tony Reilly, P.P.
