Very Rev Anthony Reilly PP  
Palmerstown Parish  
Parochial House  
Palmerstown  
Dublin 20

Dear Fr Reilly,

Together against the storm of poverty and climate change in Guatemala, Ilma and Julio are doing all they can to give their family a future.

**Today your generosity stands beside them.**

Thank you all for your incredibly kind gift of €1,582.58 to Trócaire this Lent, to help keep climate injustice from trapping families in poverty.

Picture with me for a moment, the weeks and months to come because you cared.

Local weather-mapping techniques and training for first responders in place, to stay a step ahead of storms and save lives. Climate-resilient farming methods, seeds, and tools, at work in communities like Ilma and Julio's – reducing erosion, protecting crops, and protecting livelihoods. Emergency relief if crisis strikes, so people can get back on their feet.

It's not the solution to all of climate change, but it's a lasting, positive step in the right direction – the human direction – for a hardworking family and village like Ilma and Julio's. Together against the storm, together for a just world, thank you for the kindness you've shown this Lent. **This work for a better tomorrow couldn't happen without you.**

**Thank you, Fr Reilly, and the people of Palmerstown Parish for your steadfast heart for humanity.**

With all my gratitude,
