Trócaire Boxes are available at the back of the Church

Last year, Trócaire worked with over 40,000 people in at-risk communities across Rwanda, helping vulnerable families build resilience against climate change by:

- Supporting over 2,500 women to receive training in sustainable resource management
- Providing over 20,000 families with fuel-efficient cookstoves to reduce firewood use
- Planting over 320,000 trees across the country

Many Hands Make LIGHT Work

We have a beautifully maintained church building, cared for by wonderful volunteers. The church is cleaned weekly on Tuesdays. However, the Tuesday team has become smaller.

We are inviting volunteers for a Saturday morning cleaning group which might appeal to those who might not be available during the week.

If you have an hour to spare on Saturday morning and are interested, please leave your name and phone number in the sacristy or email it to the parish office at parishoffice@palmerstownparish.com.
