## **Trócaire Boxes are available at the back of the Church**

Last year, Trócaire worked with over 40,000 people in at-risk communities across Rwanda, helping vulnerable families build resilience against climate change by:

- Supporting over 2,500 women to receive training in sustainable resource management
- Providing over 20,000 families with fuel-efficient cookstoves to reduce firewood use
- Planting over 320,000 trees across the country

**Many Hands Make LIGHT Work**

We have a beautifully maintained church building, cared for by wonderful volunteers. The church is cleaned weekly on Tuesdays. However, the Tuesday team has become smaller.

**We are inviting volunteers for a Saturday morning cleaning group which might appeal to those who might not be available during the week.**

If you have an hour to spare on Saturday morning and are interested, please leave your name and phone number in the sacristy or email it to the parish office at [parishoffice@palmerstownparish.com](mailto:parishoffice@palmerstownparish.com).
