

Getting Ready for Sunday!

The Rublev Icon

The Rublev Icon depicts an image of the Holy Trinity.

The three members of the Trinity are closely united around the table.

There is a space at the front offering openness to all to enter into their company.

The Feast of The Holy Trinity

The relationships in the Trinity are relationships of love.

The focus of today's feast is about Christian living.

The unity and life harmony in the Trinity is to be the aim of each community.

Where love is, there is God.

**The mystery of the Trinity is not one to be solved,
but one to be lived through our love of God and love of
neighbour.**

John 3:16-18

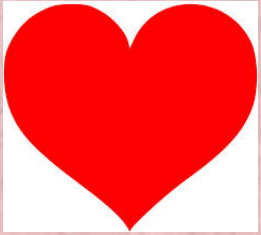

For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life.

God loves each one of us so much that He became one of us so that we could be a real part of God. God chose to share in all our experiences so that we could learn, from Jesus, how to be more like God.

We are connected with God through love.

Indeed, God did not send the Son into the world to condemn the world, but in order that the world might be saved through him.

**God is totally loving and
totally selfless.
God chooses each one of us
to be fully connected with
God.**

**Sit in silence for a few minutes
and be aware of God with you
right now!**

Those who believe in him are not condemned; but those who do not believe are condemned already, because they have not believed in the name of the only Son of God.

Those who do not know Jesus miss an opportunity to see the face of God among us and to know how close they are to God. Are you aware of how close you are to God?

Bible Search

Read **John 3:16-18** in your family Bible-this is the Gospel reading at Mass this Sunday.

Consider

**When do you bring about unity in your home, parish,
school, workplace?**

Praying to Jesus

**Pray for the grace to be more aware of
Gods presence each day this week.**

**Ask God to help you to
be a person who builds
unity.**
