### Tribute to Irene Nugent RIP

It was with deep sadness and profound regret that we learned of the passing of Irene Nugent. We send our sincere condolences to her daughters Catherine and Marie and to her Granddaughter Chloe.

Irene was a stalwart of the community. The work she did behind the scenes was immense. It was not just the fact that she was a mighty community worker: above all Irene was a decent and compassionate person. This was evident in so many ways but, uniquely in her love for animals.

Irene served for many years as secretary of Palmerstown Community Council, a position she was re-elected to the night before her untimely death. She was a faithful and dedicated Director of Palmerstown Community and Youth Centre and a hard-working member of the Newsletter committee. She was also a very active member of the Liffey Valley Park Alliance. Irene was an avid fundraiser and could be found regularly bag packing in SuperValu or organising coffee mornings for the Hospice in Manor Road.

Despite not being in the best of health in recent times, Irene never slowed down. You never had to remind Irene of an upcoming meeting or to send a letter to the County Council or any other commitment, rather she was more likely to be the one chasing everyone, with her smile and charm, ensuring that everything was done as it should be. May her generous soul Rest in Peace.

## Palmerstown Seed Library

Clarkeville Flowers, Old Lucan Road, are delighted to announce the upcoming launch of a seed library and are appealing for your assistance.

This new resource is designed to help residents borrow, grow, and return seeds while supporting greater biodiversity within the gardens of Palmerstown by providing 'free' seeds and a greater sharing of local expertise and knowledge.

They are requesting donations of seeds to build up their seed stock. Once the project is up and running, library members can take seeds to grow in their own garden and return new produced seeds at the end of the season.
